"*Khau Vai - the Legend of Lost Love* tells the story of a return to the past, to the homeland, to the origins of a Vietnamese man living in exile. I read the book with real pleasure yet also with envy. I know the mountainous regions in Northwest Vietnam very well. Yet I had never heard of Khau Vai, the market where lost lovers meet, nor of the myths and customs related to this place of legend. For me, this book held many surprises.

I hope that for you too, readers all over the world who have a place in your hearts for Vietnam, the zixbook will take you unawares."
